2022 | 88% in Mathematics, Physics, Chemistry and Computer Science

PROFESSIONAL PROFILE

Reliable, hard-working kitchen and food production team member with hands-on experience in food preparation, portioning, packaging and quality checking in a busy production kitchen, and a strong understanding of food hygiene, HACCP and allergen safety. Used to working to tight deadlines in fast-paced environments, following instructions and procedures accurately, and keeping work areas clean and organised. A friendly team player who is happy to help with food prep, serving, washing up and cleaning down. Seeking a Kitchen Assistant, Kitchen Porter, Catering Assistant or Food Production Operative position.

WORK EXPERIENCE

Cook | Flavournest

Feb 2026–Sep 2026

Kerala, India

- Worked hands-on in food processing and packaging for a range of frozen and dry food lines, following food safety and hygiene standards.
- Followed and maintained SOPs aligned with commercial food processing guidelines and export authorities across all manufactured batches.
- Helped run batch tracking and stock control for 50+ product lines, reducing waste and keeping output in step with dispatch schedules.
- Supported shop floor team members and worked shifts to meet delivery deadlines.

Kitchen Team Member | Flavournest

Jun 2025–Feb 2026

Kerala, India

- Scaled, portioned and prepared high volumes of raw ingredients to recipe and weight specifications across frozen and dry food production lines.
- Worked to HACCP-based hygiene and temperature control standards required for export quality assurance.
- Inspected processed items for consistency, checking batching, labelling and airtight sealing before flash freezing and storage.
- Carried out FIFO stock rotation of raw materials and finished goods to minimise waste and keep products fresh.
- Kept work areas clean and organised and sanitised equipment between production runs to prevent cross-contamination.

ALBIN ANIL

KITCHEN ASSISTANT | FOOD PRODUCTION | FOOD SAFETY & HYGIENE

WORK EXPERIENCE (CONTINUED)

Warehouse Staff | Smartwear

2023–2024

Stevenage, Hertfordshire, UK | Part-time

- Picked and packed high-volume customer and wholesale orders by SKU, colour and size using handheld RF scanners.
- Received and unloaded deliveries, carried out quality checks on incoming stock and updated stock records.
- Folded, bagged and labelled finished items to UK courier dispatch standards, meeting weight and shipping requirements.
- Handled customer returns, inspecting items for defects, re-tagging and returning verified stock to the correct locations.
- Kept a clean, organised workstation and followed UK Health & Safety (HSE) and manual handling guidelines.
